Please contact Bonnie Geddes at 860-480-4812 if you have any questions or concerns. The past 7 years, I've been walking in the GREAT STRIDES event with our Morris Karate Students. This year the walk is at the Charland Karate in Watertown on Sunday, May 15th, 2011. Please help us meet the fund-raising goal by sponsoring us either with a pledge, by walking with us or entering in the "Kids Got Talent". Last year our team raised \$20,000. You'll feel confident in knowing that your generous gift is used efficiently and effectively: \$.90 out of every dollar you contribute goes directly toward supporting research and specialized care that improves the quality of life for those with CF and its tax-deductible.
