WINNER GETS GIFT CARD AND AWARDS!

All proceeds go to cystic fibrosis

Cystic fibrosis is a devastating genetic disease that affects children and young adults. Advances continue to be made in finding a cure, but your help is needed now - more than ever - to help keep up the momentum of this life-saving research. Too many young lives depend on this vital research to let it go unfunded! GREAT STRIDES is the Cystic Fibrosis (CF) Foundation's largest and most successful national fund-raising event. The walk will be at Charland Karate in Watertown on May 15th. It would be a great way to get kids involved and help out for this cause. Kids can come perform their talent and the top three winners will receive a gift card and a chance to perform at the walk. Hope you can come.
